

Job Title: Full-Time Safety Trainer

Location: Middlesbrough & Nationwide (UK)

Salary: £29,000 - £35,000+ per year

Job Type: Full-Time, Permanent

Hours: Monday to Friday

About Us:

INFRA^ATEC Training is a leading provider of safety training across the UK, specialising in delivering high-quality, accredited training solutions. We are committed to equipping individuals and teams with the skills and knowledge required to work safely in high-risk environments. Due to continued growth, we are looking for a Full-Time Safety Trainer to join our team.

Position Overview:

As a Safety Trainer, you will be responsible for delivering comprehensive training in Confined Space (Low - High Risk and industrial safety training courses. The role requires an individual with hands-on experience and a passion for training others in these critical safety areas. You will be based in Middlesbrough but expected to travel to various client sites across the UK to fulfil training requirements.

Key Responsibilities:

- Deliver high-quality, engaging training courses in Confined Space (Low to High Risk) and industrial safety training to a range of learners.
- Ensure all training adheres to legal regulations and industry standards.
- Conduct assessments and evaluations to monitor trainee progress and ensure competency.
- Travel to client sites throughout the UK to provide on-site training as required.
- Maintain and update training materials to reflect current safety standards and best practices.
- Maintain associated equipment when not delivering.
- Support and guide trainees to achieve certification and competency in their roles.
- Maintain own competence in subject matter and training deliveries.

Requirements:

- Proven and verifiable experience in delivering Confined Space (Low to High Risk)
- Strong knowledge of relevant legislation, regulations, and safety procedures.
- Excellent communication and presentation skills, with the ability to engage and motivate learners.
- Flexibility and willingness to travel regularly throughout the UK.
- Relevant qualifications in health and safety and training (such as NEBOSH, IOSH, or equivalent).
- Teaching qualification & assessing

Benefits:

- Competitive salary ranging from £29,000 to £35,000+ per year, depending on experience.
- Monday to Friday schedule, promoting a healthy work-life balance.
- Travel allowances to support your nationwide responsibilities.
- Continuous professional development and opportunities to expand your skills.
- Joining a dynamic and supportive team passionate about safety and training excellence.

How to Apply:

If you're an experienced Safety Trainer with expertise in Confined Space and you're looking to advance your career with a reputable training provider, we'd love to hear from you! Please send your CV and a cover letter detailing your experience to **training@infratec-uk.com**
